TOTAL HOURS _____

Volunteer requirement: Each family is required to complete a minimum of 35 volunteer hours to the school or parishes; including 1 hour of traffic duty per child. We strongly encourage at least 5 hours of service to your parish. Family service hours are reported by families to the school through the Wednesday envelope. You may count school volunteer hours contributed by an extended family member, such as a grandparent. Families that are unable to fulfill their volunteer requirements will be billed \$10/hour up to \$350.00 in June.
